

How Text Giving Works

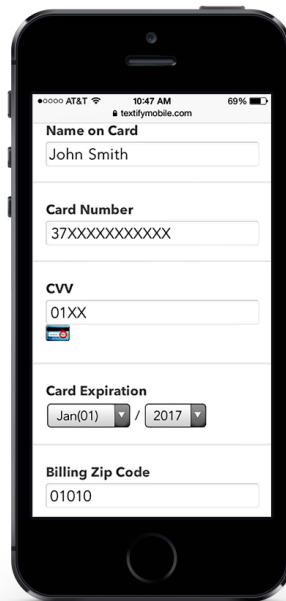

1. A user texts the word "give", your keyword, and the donation amount to 34444.

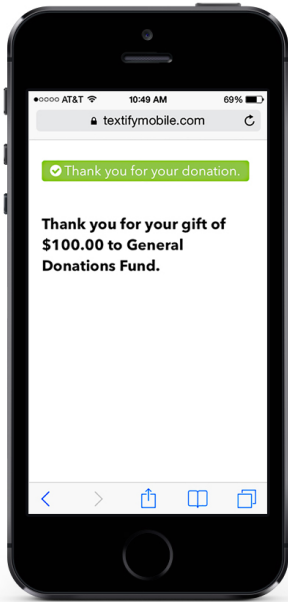

2. They are automatically sent a link to enter their payment information.

*Note: this only has to be done once. Their information will be remembered for all future gifts

3. The supporter enters their payment information and clicks submit.

4. The donation is processed by our partner payment processors and funds are deposited directly into your bank account within 1 week.
